From Liners to Luscious

Supernova® Liners — Four Star's Exclusive Program

Supernova® liners are treated at various growing stages to program them for shorter crop times and consistent flowering.

Supernova® Advantages

- Faster turns
- No pinching needed
- Uniform, high-quality plants with consistent performance
- Savings in labor, time, and energy costs
- Fewer growth regulators needed
- Improved branching and flowering with more developed root systems

SUPERNOVA® Usage Chart

Crop	SN 42	SN 84	SN 50	SN 28 Thriller	SN 28 Perennial
4.25" - 4.5" Pots	•	•	•		•
1 GL- 6" Pots	•	•	•	•	•
Upright Combination Pots				•	•

Take your production to a new level

with Supernova® liners. Try them and get

\$1.99/tray shipping

on the entire order!*

** Limited weeks — still finishing in prime season*
