

# Multi-Liner™ Program

from Four Star

2010/2011

# Streamliner™

stream-line (strēm'lin') verb, to design in a way that will simplify or make more efficient

Multiple cuttings of varied varieties are rooted together in one plug to allow a person to stick and have a combination planting grow from the single plug

## Benefits:

- Labor savings and increased accuracy when planting combinations
- Less liner trays per combination reduces shipping costs
- Quicker finishing time reduce labor and increase productivity
  - 8 weeks for a 10" basket
  - 6-7 weeks in 1.0 GL size
- Large combination-specific tag for each combination – addresses tag waste and increases brand recognition
- 16 Proven Combinations – top-selling and top-performing recipes ensure the combinations success in the greenhouse and at retail

Available as a 50 ct. Liner

# Streamliner™

- Order 6 weeks in advance to ensure availability
- Availability weeks follow the same guidelines and restrictions as other Proven Winners Liners
- Tag Exchange available for hanging baskets and upright containers – Follow standard tag exchange instructions

# Streamliner™
