Pop, Drop & Grow™

Pop, Drop & Grow™, The 30 Second Planter™, is a product that makes growing containers easy for both growers and consumers. For the grower, one of the great benefits of the Pop, Drop & Grow™ program is that you will receive everything you need (other than the soil) in one kit. The kit includes plants, PDG containers, tags, sales tags, & P.O.P. This makes creating a successful program extremely easy to understand and to grow.

Professional Grower Fertilizer

Proven Winners® has developed four specific formulations to minimize and correct pH related problems at different water alkalinity ranges, as well as cold weather growing and greening formulas. Each formula contains 100% Iron EDDHA – the best chelated Iron form available – for improved plant Iron uptake at high pH levels and to correct Iron deficiency. A recent water test is required to order. If you do not have a recent water test, you can obtain one from www.shop.pwfourstar.com.

Sales Aids - Point of Purchase

Our colorful and creative merchandising materials are designed to create excitement in your garden center and lead customers to the Proven Winners® products that they have been hearing and reading about through our national and regional advertising. Use the Instant Endcaps, ColorWise™ signs, Combination Recipe Flip Charts and other P.O.P. materials as a silent sales staff that engages customers and encourages sales. Put them to work for you by ordering at shop.pwfourstar.com

Proven Winners® WaterWise™

The easy to use, self-contained kit makes it simple for gardeners to water container plants, hanging baskets, flower boxes and even plants in the landscape. One kit has everything the home gardener needs to water up to ten containers from a single faucet. Inconsistent watering or forgetting to water container plants is one of the most common challenges consumers have with plants. This system makes it effortless to water your plants.
