

# Find the Liner for Your Needs

Use this selection chart to find the liner that suits your production system and market deadlines.

Start by determining what size container you will be producing

**Small Container Production**  
4.25" Grande™ to 1.0 GL Royale™

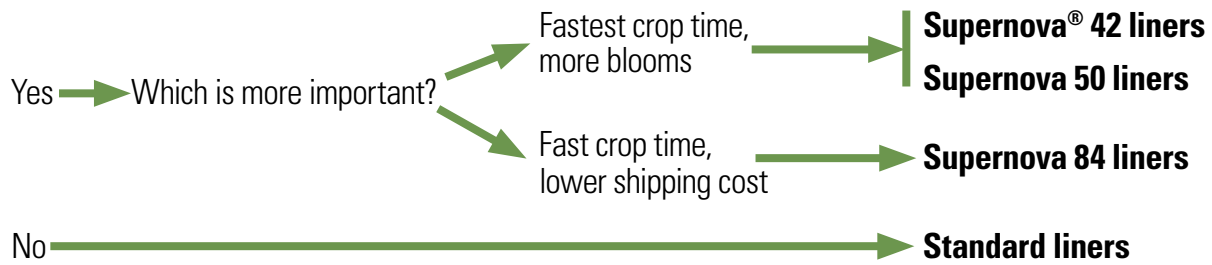

**Large Container Production**  
Hanging Baskets, Upright Containers, etc.

Which product will you be growing?

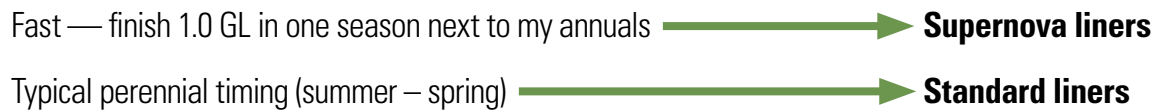

**ANNUALS**

Do you want faster crops, more robust plants and no pinching?

**PERENNIALS**

How quickly do you need to grow?

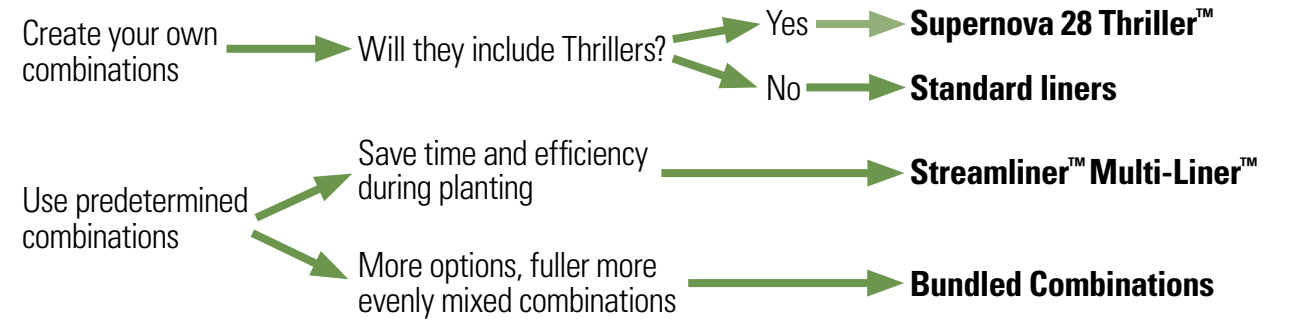

**FLOWERING SHRUBS**

How quickly do you need to grow?

Which product will you be growing?

**COMBINATIONS**

**MONOCULTURES**

→ **Standard liners**
